Corporate Profile

Sonoco is a \$5 billion global provider of consumer packaging, industrial products and packaging supply chain services. When collaborating with our customers, we leverage our deep knowledge of material science, our i6 Innovation Process™, and our industry-leading packaging and services portfolio to create impactful customized solutions that build stronger brands.

We produce packaging for many of the world's most recognized brands, in markets such as appliances and electronics, automotive, beverages, confection, construction, converted paperboard, fresh and natural food, frozen and refrigerated food, shaving, home, lawn and garden, medical/pharmaceutical, pet care, powdered beverages, recycling and snacks.

Sonoco's operations consist of our global consumer packaging businesses (rigid paper and closures, flexibles and plastics); our display and packaging division (high-impact retail displays and packaging supply chain management); our industrial businesses (tubes and cores, reels and spools, uncoated recycled paperboard and Sonoco Recycling, one of the world's largest recyclers); and our Protective Solutions division (custom-designed protective, temperature-assurance and retail security packaging solutions and highly engineered components).

From our headquarters in Hartsville, S.C., and more than 300 operations in 33 countries, we serve customers in 85 nations.
