

Sonoco Increases Common Stock Dividend by 5.1 Percent

April 18, 2018

HARTSVILLE, S.C., April 18, 2018 (GLOBE NEWSWIRE) -- The Board of Directors of Sonoco (NYSE:SON) today declared a \$.41 per share quarterly common stock dividend, a 5.1 percent increase from the previous quarterly dividend of \$.39 per share. The dividend will be paid on June 8, 2018, to shareholders of record as of May 11, 2018.

According to Rob Tiede, president and chief executive officer, this is the 36th consecutive year that Sonoco has grown common stock dividends and the 372nd consecutive quarter, dating back to 1925, that the Company has paid dividends to shareholders. Over the past five years, Sonoco has increased dividends by approximately 5.4 percent per year.

"Today's dividend increase reflects our confidence in the continued earnings growth of Sonoco and our 93-year commitment to returning cash to our shareholders," said Tiede. "Over the past five years, Sonoco has returned more than \$925 million to shareholders in the form of dividends and share repurchases."

Sonoco's projected annualized dividend of \$1.64 per share provides a yield of approximately 3.28 percent, based on the Company's closing stock price of \$49.96 on April 17, 2018. Sonoco's dividend yield is one of the highest payouts provided by any U.S. packaging company and is approximately 70 percent higher than the dividend yield of the S&P 500.
