

Sonoco Announces Price Increase for Paperboard Tubes and Cores

June 23, 2021

HARTSVILLE, S.C., June 23, 2021 (GLOBE NEWSWIRE) -- Sonoco (NYSE: SON) today announced it will raise the price for all paperboard tubes and cores by a minimum of 6 percent, effective with shipments in the United States and Canada, on or after July 26, 2021.

"This price increase is necessary due to continued increases in costs for uncoated recycled paperboard (URB), our primary raw material which remains in very tight supply. Additionally, we continue to experience significant inflationary pressures in adhesives, packaging and logistics costs," said Mike Thompson, Director of Sales and Marketing for Sonoco's North America Tubes and Cores Division.

Sonoco is the largest producer of paper-based tubes and cores in North America, which are used to serve the paper, textile, plastic film, and tape and specialty industries.
