### ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission (“SEC”) using a “shelf” registration process. Under this shelf registration process, we are registering an unspecified amount of debt securities, preferred stock and common stock. We may sell in one or more offerings any combination of debt securities, preferred stock and common stock.

This prospectus provides you with a general description of the securities we may sell. Each time we sell securities, we will provide a prospectus supplement or file a current or periodic report with the SEC that will contain specific information about the terms of that offering. The prospectus supplement or current or periodic report filed with the SEC also may add to, update or change information contained in this prospectus. If there is any inconsistency between the information in this prospectus and any applicable prospectus supplement, you should rely on the information in the applicable prospectus supplement. You should read both this prospectus and any applicable prospectus supplement, together with the additional information described under the heading “Where You Can Find More Information and Incorporation by Reference.”

The registration statement containing this prospectus, including the exhibits to the registration statement, provides additional information about us and the securities to be offered. ## RATIO OF EARNINGS TO FIXED CHARGES

The following table shows our ratio of earnings to fixed charges and to fixed charges and preferred stock dividends for the periods indicated:

	Six Months Ended June 25, 2006	Years Ended December 31				
		2005	2004	2003	2002	2001

Ratio of Earnings to Fixed Charges and Preferred Stock Dividends	4.92x	4.52x	4.36x	2.82x	3.81x	3.53x

(1) Six months ended June 25, 2006 and year ended 2005, 2004, 2003, 2002 and 2001 ratios reflect net pretax charges for restructuring costs of approximately \$4.9 million, \$21 million, \$19 million, \$50 million, \$10 million, \$51 million, respectively.

#### **INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The financial statements and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting) incorporated in this Prospectus by reference to the Annual Report on Form 10-K for the year ended December 31, 2005 have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

With respect to the unaudited financial information of Sonoco Products Company for the six-month periods ended June 25, 2006 and June 26, 2005, incorporated by reference in this Prospectus, PricewaterhouseCoopers LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate report dated July 27, 2006 incorporated by reference herein, states that they did not audit and they do not express an opinion on that unaudited financial information. Accordingly, the degree of reliance on their report on such information should be restricted in light of the limited nature of the review procedures applied. PricewaterhouseCoopers LLP is not subject to the liability provisions of Section 11 of the Securities Act of 1933 for their report on the unaudited financial information because that report is not a "report" or a "part" of the registration statement prepared or certified by PricewaterhouseCoopers LLP within the meaning of Sections 7 and 11 of the Act.

#### **VALIDITY OF THE SECURITIES**

The validity of the securities offered under this prospectus will be passed upon for us by Haynsworth Sinkler Boyd, P.A., Columbia, South Carolina, our general counsel, and for any underwriter, dealer or agent by counsel to such underwriter, dealer or agent named in the Prospectus Supplement. In rendering their opinions, underwriters' counsel may rely on Haynsworth Sinkler Boyd, P.A., as to certain matters of South Carolina law. Various attorneys in the firm of Haynsworth Sinkler Boyd, P.A., and members of their immediate families own or have beneficial interests in shares of our common stock.

## **PART II. INFORMATION NOT REQUIRED IN PROSPECTUS**

- Registration Fee
- Trustee's fees and expenses
- Printing and engraving costs
- Rating Agencies' fees
- Legal fees and expenses
- Accounting fees and expenses
- Blue Sky fees and expenses
- Miscellaneous
- TOTAL

(To be added by amendment or in a report filed under the Securities Exchange Act of 1934 and incorporated herein by reference.)

### **ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS**

Article VIII of the By-laws of the Company provides for the indemnification by the Company of any present or former director, officer or employee of the Company, or any person, who, at the request of the Company, may have served as director or officer of another corporation in which it owns shares or of which it is a creditor. Any such person shall be entitled to reimbursement of expenses and other liabilities, to the maximum extent permitted by the laws of the State of South Carolina or by order of any court having jurisdiction in any action or proceeding to which he is a party by reason of being or having been a director, officer or employee.

Article 9 of the Restated Articles of Incorporation of the Company states that no director of the Company shall be personally liable to the Company or to its shareholders for monetary damages for breach of fiduciary duty as director, except to the extent such exemption from liability or limitation thereof is not permitted under the laws of South Carolina, as presently in effect or as the same may hereafter be amended.

Under Article 5 of Chapter 8 of the South Carolina Business Corporation Act of 1988 (the "Corporation Act"), a corporation has the power to indemnify directors and officers who meet the standards of good faith and reasonable belief that conduct was lawful and in the corporate interest (or not opposed thereto) set forth in the Corporation Act. The Corporation Act also empowers a corporation to provide insurance for directors and officers against liability arising out of their positions even though the insurance coverage is broader than the power of the corporation to indemnify. Under the Corporation Act, unless limited by its articles of incorporation, a corporation must indemnify a director or officer who is wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party because he is or was a director or officer against reasonable expenses incurred by him in connection with the proceeding. The registrant's Restated Articles of Incorporation do not provide otherwise.

In addition, the Company maintains directors' and officers' liability insurance for the benefit of its directors and officers.

It is anticipated that any underwriting agreement to be included as Exhibit 1.1 or 1.2 hereto will provide for indemnification of directors, certain officers and controlling persons of the Company against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Act").

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions (other than insurance), the Company has been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided however, that:

- (A) Not applicable.

- (B) Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) Not applicable.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

- (A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser,

if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
- (i) In connection with any offering of securities made in reliance upon Rule 430A, the undersigned registrant hereby undertakes that:
- (1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
  - (2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (j) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.
