## INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The financial statements and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting) incorporated into this Prospectus by reference to the Annual Report on Form 10-K for the year ended December 31, 2018 have been so incorporated in reliance on the report, which contains an explanatory paragraph on the effectiveness of internal control over financial reporting due to the exclusion of certain elements of the internal control over financial reporting of the Highland Packaging Solutions ("Highland"), Conitex Sonoco (BVI), Ltd. ("Conitex Sonoco") and Compositub businesses the registrant acquired during 2018, of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

With respect to the unaudited financial information of Sonoco Products Company for the three-month periods ended March 31, 2019 and April 1, 2018 and the three and six-month periods ended June 30, 2019 and July 1, 2018, incorporated by reference in this Prospectus, PricewaterhouseCoopers LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate reports dated (i) May 1, 2019, with respect to the quarter ended March 31, 2019, and (ii) July 31, 2019, with respect to the three and six month periods ended June 30, 2019, each of which is incorporated by reference herein, state that they did not audit and they do not express an opinion on that unaudited financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. PricewaterhouseCoopers LLP is not subject to the liability provisions of Section 11 of the Securities Act of 1933 for their report on the unaudited financial information because that report is not a "report" or a "part" of the registration statement prepared or certified by PricewaterhouseCoopers LLP within the meaning of Sections 7 and 11 of the Act.

## VALIDITY OF THE SECURITIES

The validity of the securities offered under this prospectus will be passed upon for us by Haynsworth Sinkler Boyd, P.A., Columbia, South Carolina, and for any underwriter, dealer or agent by counsel to such underwriter, dealer or agent named in a prospectus supplement. In rendering their opinions, underwriters' counsel may rely on Haynsworth Sinkler Boyd, P.A., as to certain matters of South Carolina law. Various attorneys in the firm of Haynsworth Sinkler Boyd, P.A., and members of their immediate families own or have beneficial interests in shares of our common stock.

## PART II. INFORMATION NOT REQUIRED IN PROSPECTUS

Trustee's fees and expenses  
Printing and engraving costs  
Rating Agencies' fees  
Legal fees and expenses  
Accounting fees and expenses  
Blue Sky fees and expenses  
Miscellaneous  
TOTAL

(To be added by amendment or in a report filed under the Exchange Act and incorporated herein by reference.)

### Item 15. Indemnification of Directors and Officers

Article VIII of the By-laws of the Company provides for the indemnification by the Company of any present or former director, officer or employee of the Company, or any person, who, at the request of the Company, may have served as director or officer of another corporation in which it owns shares or of which it is a creditor. Any such person shall be entitled to reimbursement of expenses and other liabilities, to the maximum extent permitted by the laws of the State of South Carolina or by order of any court having jurisdiction in any action or proceeding to which he is a party by reason of being or having been a director, officer or employee.

Article 6(e) of the Restated Articles of Incorporation of the Company states that no director of the Company shall be personally liable to the Company or to its shareholders for monetary damages for breach of fiduciary duty as director, except to the extent such exemption from liability or limitation thereof is not permitted under the laws of South Carolina, as presently in effect or as the same may hereafter be amended.

Under Article 5 of Chapter 8 of the South Carolina Business Corporation Act of 1988 (the "Corporation Act"), a corporation has the power to indemnify directors and officers who meet the standards of good faith and reasonable belief that conduct was lawful and in the corporate interest (or not opposed thereto) set forth in the Corporation Act. The Corporation Act also empowers a corporation to provide insurance for directors and officers against liability arising out of their positions even though the insurance coverage is broader than the power of the corporation to indemnify. Under the Corporation Act, unless limited by its articles of incorporation, a corporation must indemnify a director or officer who is wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party because he is or was a director or officer against reasonable expenses incurred by him in connection with the proceeding. The registrant's Restated Articles of Incorporation do not provide otherwise.

In addition, the Company maintains directors' and officers' liability insurance for the benefit of its directors and officers.

It is anticipated that any underwriting agreement to be included as Exhibit 1.1 or 1.2 hereto will provide for indemnification of directors, certain officers and controlling persons of the Company against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Act").

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

## Item 16. Exhibits

The exhibits listed in the Exhibit Index on page II-5 are incorporated into this item by reference.

## Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
  - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided however, that: paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
  - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in

the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

- (d) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act (“Act”) in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.

Sonoco Products Company  
One North Second Street  
Hartsville, South Carolina 29550

Ladies and Gentlemen:

We are acting as counsel to Sonoco Products Company, a South Carolina corporation (the “Company”), in connection with the preparation of a Registration Statement on Form S-3 (such Registration Statement, including the Prospectus, as amended, or supplemented by various Prospectus Supplements, is hereinafter referred to as the “Registration Statement”) filed by the Company with the Securities and Exchange Commission on or about August 1, 2019 under the Securities Act of 1933 (the “Securities Act”). The Registration Statement relates to the issuance and sale from time to time of an unspecified amount of (a) shares of common stock, no par value, of the Company (“Common Stock”), (b) shares of preferred stock, no par value, of the Company (“Preferred Stock”), to be issued in one or more series, and (c) debt securities of the Company (“Debt Securities”), which may be issued pursuant to an Indenture dated as of June 15, 1991, between the Company and the Trustee named therein (the “Trustee”), as supplemented from time to time (the “Indenture”). The Common Stock, the Preferred Stock, and the Debt Securities are referred to collectively herein as the “Securities.”

In connection with the registration of the Securities, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, statutes, corporate records and other instruments as we have deemed necessary for the purposes of this opinion, including: (i) the Restated Articles of Incorporation of the Company, as amended to date (the “Restated Articles”), (ii) the Bylaws of the Company, as amended to date (the “Bylaws”), (iii) minutes and records of the corporate proceedings of the Company, including the Board of Directors of the Company, as furnished to us by the Company, (iv) the Indenture, (v) the Registration Statement and the exhibits thereto, and (vi) certificates of public officials and of representatives of the Company. In giving such opinions, we have relied upon certificates of officers of the Company and of public officials with respect to the accuracy of the material factual matters contained in such certificates. In giving the opinions set forth below, we have assumed that the signatures on all documents examined by us are genuine, that all documents submitted to us as originals are accurate and complete, that all documents submitted to us as copies are true and correct copies of the originals thereof, and that all information submitted to us was accurate and complete.

On the basis of the foregoing, and subject to the assumptions, limitations and qualifications set forth herein, we are of the opinion that:

---

(1) When the issuance and sale of any shares of Common Stock have been duly authorized by the Board, and when such shares have been duly issued in accordance with the terms and conditions set forth in the Registration Statement, and any purchase, underwriting, distribution or other agreement entered into in connection with the offering or sale of such shares against payment therefor, then such shares of Common Stock will have been duly authorized by all necessary corporate action on the part of the Company and will be legally issued, fully paid and nonassessable.

(2) When the specific terms of a particular series of Preferred Stock and the issuance and sale of shares of such series have been duly authorized by the Board and duly established in conformity with the Restated Articles, the Bylaws, and applicable law, including through approval by the Board of an amendment to the Restated Articles establishing the terms and conditions of such series, when the amendment to the Restated Articles for such series has been filed in the office of the Secretary of State of South Carolina, and when such shares have been duly issued in accordance with the Restated Articles as so amended, the Registration Statement, and any purchase, underwriting, distribution or other agreement entered into in connection with the offering or sale of such shares against payment therefor, then such shares of Preferred Stock will have been duly authorized by all necessary corporate action on the part of the Company and will be legally issued, fully paid and nonassessable.

(3) When any supplemental indenture to be entered into in connection with a particular series of Debt Securities has been duly authorized, executed and delivered by the Company and the Trustee, when the specific terms of the Debt Securities and the issuance and sale thereof have been duly authorized by the Board of Directors of the Company or, to the extent permitted by the South Carolina Business Corporation Act, the Restated Articles, and the Bylaws, a duly constituted and acting committee thereof (such Board of Directors or committee thereof being hereinafter referred to as the "Board"), and when such Debt Securities have been duly executed, authenticated, issued and delivered in accordance with the Indenture, any supplemental indenture relating to such Debt Securities, the Registration Statement, and any purchase, underwriting, distribution or other agreement entered into in connection with the offering or sale of such Debt Securities against payment therefor, then such Debt Securities will constitute legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof is subject to (i) any applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or conveyance or other laws relating to or affecting creditors' rights generally, (ii) concepts of reasonableness and general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law), and (iii) any implied covenants of good faith and fair dealing.

---

In connection with this opinion, we have assumed that:

(a) prior to the time of the offer, sale or delivery of any Securities, the Registration Statement and any amendments thereto will have become effective under the Securities Act and such effectiveness shall not have been terminated, rescinded or suspended;

(b) prior to, at or after the time of the offer, sale or delivery of any Securities, a prospectus supplement will, in accordance with the applicable requirements of the Securities Act and the rules and regulations thereunder, have been prepared and filed with the Commission describing the Securities offered thereby;

(c) no Debt Securities will include any provision that is unenforceable;

(d) in the case of Securities consisting of shares of Common Stock or Preferred Stock, at the time of the issuance thereof, there will be a sufficient number of shares of Common Stock or Preferred Stock authorized under the Restated Articles and not otherwise issued or reserved for issuance;

(e) neither the terms of the Securities to be established after the date hereof or of any agreement or instrument to be entered into or filed by the Company in connection with such Securities (including, but not limited to, any supplemental indenture relating to any series of Debt Securities, or any amendment to the Restated Articles), nor the performance by the Company of its obligations in respect of any such Securities or under any such agreement or instrument will violate any applicable law or public policy or result in a breach or violation of any provision of any agreement or instrument binding upon the Company or of any restriction imposed by any court or government body having jurisdiction over the Company;

(f) all Securities will be offered, issued and sold in compliance with applicable federal and state securities laws and in the manner consistent with the plan of distribution set forth in the Registration Statement and the applicable prospectus supplement; and

(g) there shall not have occurred any change in law affecting the validity or enforceability of any Securities.

The opinions expressed above are subject to the qualifications that we express no opinion as to the applicability of, compliance with, or effect of (i) any bankruptcy, insolvency, reorganization, fraudulent transfer, fraudulent conveyance, moratorium or other similar law or judicially developed doctrine in this area (such as substantive consolidation or equitable subordination) affecting the enforcement of creditors' rights generally, (ii) general principles of equity (regardless of whether

enforcement is considered in a proceeding in equity or at law), (iii) public policy considerations which may limit the rights of parties to obtain certain remedies, and (iv) any laws except the federal laws of the United States of America, the laws of the state of South Carolina (including statutory provisions, all applicable provisions of the South Carolina Constitution, and reported judicial decisions interpreting those laws) and, to the extent set forth as the governing law in the Indenture, the laws of the State of New York. The Securities may be issued from time to time on a delayed or continuous basis, but this opinion is limited to the laws, including the rules and regulations thereunder, as in effect on the date hereof, which laws are subject to change with possible retroactive effect. We disclaim any obligations to advise you of any change in any of these sources of law or subsequent legal or factual developments which might affect any matters or opinions set forth herein.

We consent to be named in the Registration Statement as attorneys who will pass upon certain legal matters in connection with the offering described in the Registration Statement, and to the filing of a copy of this opinion as an exhibit to the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.

This opinion is limited to the specific issues addressed herein and we assume no obligation to revise or supplement this opinion after the date hereof.

Very truly yours,

s/Haynsworth Sinkler Boyd, P.A.
